The Australian Qualifications Framework (AQF)

Reference: Australian Qualifications Framework Second Edition January 2013. Published by the Australian Qualifications Framework Council (a council of the Ministers responsible for tertiary education, skills and employment), South Australia.

The Australian Qualifications Framework (AQF) is the national policy for regulated qualifications in Australian education and training. It incorporates the qualifications from each education and training sector into a single comprehensive national qualifications framework. The users of the AQF span each education and training sector: schools, vocational education and training and higher education and include the accrediting authorities and institutions providing education and training.
